

SANCTUM RANGE

**Unrivalled versatility with our
flexible range of above ground
vault combinations**

The Sanctum 2000s are ideal for both our crematorium and our three cemeteries as they offer a solution to maximising our land which is at a premium. The plaque gives the families an excellent choice of personalised artwork to commemorate a loved one.

SANCTUM 2000

The Sanctum 2000 is an above ground vault, large enough to securely accept two standard sized caskets or polytainers.

This memorial comes in three versatile placement options –

– back-to-back with a double roof, in a circle using the Sanctum 2000 curved or in a square or rows using multiples of the single Sanctum 2000.

Available in a range of granite colours with a large plaque suitable for a detailed bespoke designs and inscription.

SANCTUM 4 FAMILY VAULT

A superior four casket memorial - ideal as a family vault

A choice of two or three flower vases are available on the base of the product, allowing ample room for floral tributes. The granite plaque is large enough to accommodate four names along with photo plaques and bespoke design work.

SANCTUM 12

A superb modular system with a wide range of options

The Sanctum 12 is a versatile stand alone columbaria that allows for much larger units using multiples of the product to create 24, 36, 48 or 64 vaulted systems. These memorials can be placed back to back with a double roof, in rows or squares. A posy vase can also be fixed to each plaque.

SANCTUM PANORAMA

A stunning 32 vault circular memorial with a small footprint

Each individual niche of the Sanctum Panorama can accommodate 3 x 3.5 litres of cremated remains, giving you a total of 96 urns. With a compact 6ft diameter, the Panorama is space saving and ideal for income streams.

BARBICAN RANGE

A stylish selection of multi-plaque and single memorials designed for scattered remains

The Barbican is a most welcome addition to our memorialisation at the crematorium.

Distinct by design, the granite plaques offer the bereaved bespoke designs symbolising a personal tribute to a loved one.

40 / 50 / 80 TABLET BARBICAN

Stylish simplicity, delivering a feature or centre-piece memorial

With options for 40, 50 or 80 tablets, the Barbican memorials are a great centre-piece of feature for your gardens.

You can see our woodland themed 50 tablet Barbican on page 21.

192 TABLET BARBICAN

A superb revenue generating memorial

At only 54" wide, this imposing memorial displays 192 individual 7" x 5" tablets. The 192 Barbican is available in a wide range of coloured granites with 20 different type styles and a wide range of design options available for the tablets. UK sourced tablets are also available for this memorial.

100 & 192 TABLET BARBICAN BOOK

A free-standing memorial with 100 and 192 tablet options

Perfect for when space is at a premium, Barbican Books are ideal income generating feature memorials and suitable for any garden or remembrance space.

Our books are available in a range of granite colours. Tablet inscriptions are available in one of three colours.

BARBICAN BENCHES

Oval bench and multi-tablet bench versatility

Barbican Benches are manufactured in polished granite making them virtually maintenance free.

The oval bench has the option of adding a tablet to each supporting leg (both front and rear if required). Our multi-tablet bench can accommodate anything from a single tablet up to 15 individual tablets and is available with or without arms in a range of granite colours.

BARBICAN BIRDBATH & SUNDIAL

A beautifully crafted memorial with a choice of stylish tops

The Barbican birdbath and sundial is a simple yet stylish design with a choice of tops to suit your needs. Bespoke design work can be added to the memorial, such as the deep carved woodland animals (pictured above).

Our multi-plaque birdbath and sundial has 20 plaques surrounding the column with space for an inscription and small design.

Single, double and triple kerb blocks

Double and triple kerb blocks make ideal family memorials with a choice of positions for flower vases. Single kerb blocks can provide a cost-effective individual memorial.

BARBICAN KERB BLOCKS

BARBICAN GARDEN BLOCKS

A versatile edging solution in single or double options

Use in rows or as a path edge to provide a cost-effective income stream. Each block benefits from a small posy vase. Both the garden blocks and the kerb blocks are available in a wide range of granite colours.

WESTWOOD RANGE

Ideal for woodland or open areas, this range of memorials has options for both cremated and scattered remains

I have to take my hat off to you as I didn't think the granite mushrooms would work near our woodland area but yet again you've proved me wrong! they blend in extremely well with the trees and the public love them, hence the extended leases some families are taking out. The oak leaf bench looks amazing and the area is looking really good.

50 TABLET SLIM-LINE WOODLAND BARBICAN

A woodland themed, slim-line barbicane with UK sourced tablets

Ideal for a woodland or grassland setting, this natural memorial blends in with its surroundings. The natural slate tablets have space for inscriptions in one of our many typefaces plus a detailed painted or sandblasted design.

AILSA CRAIG BOULDERS

A rustic boulder in a choice of coloured granites

These rustic boulder memorials are ideal for small gardens or woodland areas and contain a small space for adding cremated remains. The base of the memorial can be rotated 90 degrees to position the flower vase at the side of the boulder.

An oval plaque containing a small design and inscription completes the look of this versatile memorial.

WOODLAND MARKERS

Pitched edge woodland markers with space for one or two sets of cremated remains

Often placed around pond or lake areas or within a woodland setting, these woodland markers are available as either single or double memorials.

Each marker is topped with a plaque that can accept a small design and inscription.

WOODLAND GRANITE MUSHROOMS

Ideal family or children's memorial for woodland or garden settings

Woodland Mushrooms are a range of three, free-standing and space saving products ranging in size from a three tablet mushroom through to the four and five tablet variants.

The tablet discs can accommodate a small inscription with gilded or relief lettering. Tablets are available in two colour options.

OAK LEAF BENCH

A decorative and functional feature bench

The polished Oak Leaf Bench is carved in two different coloured granites. The legs are designed to resemble tree stumps and the seat base is carved from a grey granite. This seat would complement any green or woodland area.

PITCHED GRANITE BOULDERS

A range of pitched, polished and standard granite boulders

Individual memorials that can be placed in natural surroundings – from rockeries through to secluded woodland areas. Our range incorporates the Brodsworth boulder with carved inscriptions and designs, the polished and pitched boulders with a silver or gold flower vase and the standard boulder with inscription only.

BABIES & CHILDREN'S RANGE

**Individual memorials designed
for babies and children's
remembrance gardens**

Thanks to all at the Columbaria Company for your valuable input and support in helping to design our new babies and children's memorial for the cemetery. The dedication service was attended by over 500 people and was a huge success. Please pass on our gratitude to your artists who designed this wonderful feature in memory of all the babies so briefly known.

TEDDY PEDESTAL

Hand-carved 40 plaque feature memorial

The Teddy Pedestal is a great central feature memorial for any babies and children's garden. The 40 plaques vary in size and can feature an inscription and small design.

40 TABLET CHILDREN'S BARBICAN

Stand-alone children's Barbican memorial

A bespoke version of one of our popular Barbican memorials. A message and design can be added to the centrally placed polished ball and each tablet has space for an inscription and small design. The tablet designs featured on page 43 work particularly well with this memorial.

ELLIE ELEPHANT COLUMBARIUM with DORA & HARVEY BENCHES

Bespoke character set makes a beautiful garden feature

The Ellie Elephant Columbarium has space for 40 small caskets of cremated remains, with space on the tablet for bespoke design work and inscription. The addition of the Dora and Harvey benches completes the area and creates a place for quiet contemplation.

40 TABLET PETER PAN BARBICAN

A hand-carved and painted character memorial

This memorial utilises our distinctive Barbican range to create a character based feature for a children's and babies area.

112 TABLET BUTTERFLY BARBICAN

Beautifully crafted with a range of coloured butterfly tablets

Each face of this spectacular memorial contains 14 butterfly tablets in a different coloured granite. Each tablet can feature an inscription and small butterfly design feature.

CHILDREN'S MEMORIAL PLAQUES

Memorial plaques designed especially for babies and children's garden areas

These thoughtfully designed plaques are perfect for remembering young lives. The designs shown are 'To the Moon and Back', 'Butterfly', and 'Over the Rainbow'. Please see page 33 for more details on how these plaques are secured.

DEAR MUM

A character set and accompanying story, designed to help children come to terms with bereavement

The 'Dear Mum' range is a selection of hand-carved granite memorials that allow an area of reflection to be created in the grounds of a crematorium. The special owl post box allows children to post letters to people they've lost and helps provide an outlet for their feelings.

BABIES AND CHILDREN'S TABLET DESIGNS

A series of lovable soft toy characters designed to complement the 'Dear Mum' theme, along with a small selection of our hand painted designs for babies and children's memorials

Our artists excel in producing beautifully illustrated tablet and plaque designs. Bespoke designs are also available, with our artists able to recreate a wide range of images from your supplied photos or special toys.

BESPOKE MEMORIALS
